

DRIVING Mr. Albert

A TRIP ACROSS AMERICA
WITH EINSTEIN'S BRAIN

KETTLE OF FISH BOOK CLUB 'IT'S A BOOK CLUB!'

KBC will next gather on November 15th, 2016 in the back room of The Kettle from 7:30-8:45pm. We do begin and end on time but members have been known to continue in excited discussion well into the night (hey, there's a bar nearby!). The next KBC selection is '**Driving Mister Albert**' by Michael Paterniti.

So far KBC has read 'A Drinking Life' by Pete Hamill; 'M Train' by Patti Smith; 'All the Light We Cannot See' by Anthony Doerr; 'Love, Dishonor, Die Cherish, Perish' by David Rakoff; 'Dancing After Hours' by Andre Dubus and 'Lily and the Octopus' by Steven Rowley. Selections are chosen by lottery so come on time to draw your chance to choose.

Come, imbibe, discuss, debate and expand your intellectual muscle. No need to sign up, just show up.

Any questions, please email us at www.kofbookclub@gmail.com.

Here's to reading!
